INTRODUCTION

The Indian Council of Medical Research (ICMR), New Delhi an apex body in India for the formulation, coordination and promotion of biomedical research under Department of Health Research, MOH &FW, is one of the oldest medical research organizations in the world which has completed more than 100 years of its existence. The Governing Council of the ICMR is presided over by the Hon'ble Union Minister of Health & Family Welfare.

The ICMR conducts biomedical research through its (i) Thirty two permanent mission-oriented institutes (Intramural Research) located in different parts of India which address themselves to research on specific health topics like tuberculosis, leprosy, cholera, diarrheal diseases, viral diseases including AIDS, malaria, kala-azar, vector control, nutrition, food & drug toxicology, reproduction, immuno-haematology, oncology, medical statistics, *etc.* including (ii) Regional Medical Research Centres addressing themselves to regional health problems, as well as aim to strengthen or generate research capabilities in different geographic areas of the country.

Extramural research is promoted through grants-in-aid given as a project mode to scientists from non- ICMR institutes by (I) setting up Centres for Advanced Research in different research areas in selected departments of Medical Colleges, Universities and other non-ICMR Research Institutes; (ii) Task force projects which emphasize on a time-bound, goal-oriented approach with clearly defined targets, specific time frames, standardized and uniform protocols and often a multicentric structure and (iii) open-ended Research on the basis of applications for grants-in-aid received from scientists from non-ICMR Research Institutes located in different parts of the country.

Strengthening of research capabilities and a definite research strategy are recognized as a vital tools for successful research operations and the ICMR has strive to adopt new strategies from time to time. Human resource development in biomedical research is encouraged through various schemes such as (I) Research Fellowships (i.e. Junior & Senior Fellowships and Research Associateships); (ii) Short-term Visiting Fellowships which allow scientists to learn advanced research techniques from other well-established research Institutes in India; (iii) Short Term Research Studentships (for undergraduate medical students to encourage them to familiarize themselves with research methodologies and techniques); (iv) Financial assistance to MD/MS/DM/MCh/MDS thesis in priority areas of Biomedical Research: (100/yr)Financial assistance of ₹. 50,000/- is provided to candidates who are in the 2nd year of MD/MS course; (v) MD, Ph.D. Programme 25 slots /year: To identify young medical graduates with brilliant academic records for pursuing postgraduate qualifications; (vi) Post Doctorate Fellowship Programme (50/ yr):To identify and support young Ph.D for the conduct of research using ICMR Institutes working for priority areas of Health Research and (vii) various Training Programmes and Workshops conducted by ICMR institutes and Headquarters.

Two broad lines of research endeavour are discernible in the ICMR in the last two decades (i) Application of available knowledge, under the prevailing socio-economic and cultural environment through Health Systems Research involving interdisciplinary efforts between biomedical, social and behavioural sciences with epidemiology acting as a bridge; (ii) Application of the powerful tool of modern biology to search for the causes and also to unravel basic mechanisms and to identify risk factors leading to early diagnosis and development of new therapeutic agents including vaccines.

Introduction to ICMR JRF

The Indian Council of Medical Research (ICMR) Junior Research Fellowship (JRF) Examination is the first step in the process of admission to the Ph.D./Research Programme. Test for ICMR JRF fellowship conducted at the 12 Centres viz Bengaluru Bhopal, Bhubaneswar, Chandigarh, Chennai, Delhi, Kolkata, Mumbai, Guwahati, Hyderabad, Srinagar (J&K) and Varanasi once in a year on **2nd/3rd Sunday** in July each year. The award of JRF is made on merit basis by holding an entrance examination after issuing a countrywide admission notice. The admission notice is published in leading English Newspapers of India usually during March/April.

ICMR in collaboration with Postgraduate Medical Education & Research (PGIMER), Chandigarh will hold a National level examination on **Sunday, July 16th, 2017** for determining the eligibility of Indian National candidates for the award of JRF through ICMR. The award of JRF to the successful eligible candidates will depend on their finding placement in a medical college / hospital / university / national laboratory / institution of higher learning and research as applicable.

- (I) A total of **150 Fellowships** would be awarded. (120 **fellowships** would be awarded for work in the field of **biomedical sciences** with emphasis on Life Sciences (like microbiology, physiology, molecular biology, genetics, human biology, biotechnology, biochemistry, bioinformatics, biophysics, immunology, pharmacology, zoology, botany, environmental sciences and veterinary sciences (**excluding Agriculture extension/Soil Sciences**) etc. 30 **fellowships** would be awarded for work with emphasis on **Social Sciences** like psychology, sociology, home science, statistics anthropology, social work, public health/health economics (**excluding others**)).
 - (I-i) Two separate merit lists, one comprising the candidates qualifying for life sciences and the second for those candidates qualifying for social sciences, will be made on the basis of their performance in the above test.
 - (I-ii) The candidates selected for the JRF programme of ICMR would be permitted to enroll themselves for the Ph.D. programme **in subjects of biomedical/health research** of any University/Medical college **recognized by the UGC/MCI. The validity of fellowship awarded to a candidate will be one year.**
- (II) **Another 100 candidates** would be selected for consideration for positions of JRF under various research schemes of ICMR (subject to fulfilling the conditions for appointment under the schemes) for the duration of that scheme. These JRFs would also be permitted to complete Ph.D. while working in the scheme, if enrolled. **The validity of result will be two years for placement in ICMR funded projects.**
- (III) SC/ST/OBC/Physically Handicapped (PH)/Visually Handicapped (VH) applicants will be given such special consideration as per policy guidelines.
- (IV) The successful candidates would be notified by post, e-mailing in the first week of **September, 2017**. The list would also be available on ICMR website: **<http://icmr.nic.in>**

Procedure for applying

Before filling online applications, candidates are advised to go through the guidelines given at website <http://pgimer.edu.in> or icmr.nic.in. Incomplete applications will not be considered and no correspondence will be entertained.

Requirement for ICMR JRF

Educational Qualification:

M.Sc./M.A. or equivalent degree with minimum 55% marks for General/OBC candidates and 50% for the SC/ST & Physically Handicapped candidates in the subjects mentioned under the head method of selection.

A candidate who is appearing/has appeared in the final year (IV/VI Semester whichever is applicable, and final year where Semester system is not there) of M.Sc./M.A. or equivalent examination during the session (**2016-2017**) can also apply for the test as RA (Result Awaited). Such candidates will have to submit the attestation format (given in the end of application) **duly certified by the Head of the Department/ Institute** over his/her **signature and rubber stamp** (with address and name) where he/she is appearing in the final year examination. However, such candidates shall be admitted to the Test provisionally and shall be considered eligible for JRF only after they submit the proof of having passed the Master's Degree examination with **requisite percentage**. The M.Sc./M.A. or equivalent degree mark sheet must be submitted to ICMR, latest by **30th September, 2017** otherwise candidature will automatically be forfeited.

Candidates are advised to go through it and be conversant with the requirements of giving particulars and marking the answers so that during the examination they could do so without difficulty, without making any mistake and loss of time.
2. The answer sheet will have two sides. Side I contains information about the candidate instructions and examples for filling side II. The following columns will be filled by the candidate on side I (use ball point pen for side I).

Roll Number : Write your Roll No. here

Name of Candidate : Write your Name here

Centre Code : Write your Centre Code No. here as
given in Admit Card

Category : Write your category such as General,
SC, ST, OBC, PH/VH *etc.*

Subject : Write your subject as Life Sciences or
Social Sciences

Signature of candidate : Put your signature here.

3. Side II of the answer sheet will be of special type, which will be scanned on Optical scanner. This side contains the following columns which are to be filled up neatly and accurately by the candidate (use ball point pen for side II):

Roll Number

Centre Code

Test Booklet Number

Subject Code

Columns 001 to 150

Writing of Particulars and responses:

Roll Number : Write your roll number as given in lthe
specimen answer sheet on side I. For
example, Roll No. 15643

Centre Code : Write your centre code as given in the
specimen answer sheet on side I. For
example Centre code 10 (refer your
Admit card for your centre No.)

- Test Booklet No.** : Write your test booklet number as indicated on the test booklet as given in the specimen answer sheet on side I. For example, test booklet No. 16324.
- Test Booklet Code** : Each test booklet has been assigned a Code. Note this code and write it as given in The specimen answer sheet. For example Test booklet code No. C.
- Subject Code** : Write B for Life Sciences and C for Social Sciences as given in specimen answer sheet on side 1.
- Write of responses** : Each column corresponds to the serial Number of Question given in the test booklet With each column there are four Options which corresponds to the four response, one which is correct. A candidate Is required to indicate the correct answer to the question by darkening the appropriate circle completely with **HB Pencil**.

Correct way of marking answer options

The correct way of marking answer options is given below. For example if your response to question No. 21 is 2 then mark it as below.
